Domaine de Pignoulet is close to Plaisance with its bakery, supermarket, bars, restaurants, post office, bank and Thursday market. It's also only a short drive to Marciac which hosts a famous international Jazz Festival, and is a very attractive market town with all amenities and a Wednesday market.

The owners/managers of Pignoulet live in completely separate accommodation on the property. They will provide you with as much or as little help as you require. At certain times of the year Pignoulet is used for events and workshops. Because of this it is equipped to a very high standard and the owners can provide a wide range of additional services.
