ABOUT GASCONY

BEAUTIFUL, UNSPOILT, AND WELCOMING PART OF SOUTHWEST FRANCE

Our rental area covers the ancient Duchy of Gascony, close to the Pyrenees Mountains and stretching all the way between the cities of Bordeaux and Toulouse. In medieval times Gascony belonged to England. Today, with its slow pace, traditional farming community and wonderful quality of life, Gascony is similar to Tuscany.

GREAT CLIMATE, PROPER COUNTRYSIDE, WONDERFUL LOCAL MARKETS

Gascony enjoys a warm, sunny climate with early spring typically leading into a long summer and famously warm autumns. In winter there is excellent, uncrowded skiing in the Pyrenees. This beautiful countryside has very little traffic and minimal pollution, providing endless scope for expeditions from the relaxing to the energetic. Perfect for lounging by the pool or exploring ancient villages and local markets.

PERFECT FOR FAMILIES AND GROUPS OF FRIENDS

A country house holiday is the perfect way to spend a relaxing time with family and groups of friends. Along with the numerous activities available at each property, there is something for everyone here in Gascony. Biking, tennis, golf, horse riding, air-ballooning, mountain trekking, the list is endless. Gascon holidays can be enjoyed by everyone at their own pace.

DELICIOUS FOOD AND WINE, FASCINATING HISTORY AND ARCHITECTURE

If you enjoy locally sourced, really tasty French food and wine then come to Gascony! This region is renowned for its local delicacies and excellent country wines and Armagnacs. There are hundreds of medieval 'Bastide' villages, iconic 'Pigeonniers' and historic buildings, many associated with the ancient pilgrim routes to Santiago de Compostela in Spain.
